To Smyth-Wythe Airport commission,

**Our 1<sup>st</sup> annual RAM Smyth County was a huge success!**

**We are so appreciative of your contribution of of the facility in which to hold our event.**

**Over 800 people served and over \$500,000 of value delivered in direct dental, vision and medical procedures!** During the 3-day event over 900 volunteers came together to provide these services and many more prepared food for both volunteers and patients.

Dental services were by far the greatest need in the community. 450 people received dental care, i.e., fillings, crowns, extractions and/or cleanings. These services were valued at nearly \$350,000. 420 people received vision services and 500 pairs of glasses were distributed. 180 people received medical services, including various health screenings, physicals, flu shots and mammograms.

**Smyth County is remarkable!** Particularly impressive was the **money the community raised** to support the event, the **number of local healthcare professionals** that volunteered their time and expertise and the **high percentage of volunteers** that not only signed up, but **showed up** at the event!

**Neighbor helping neighbor** is truly the recurring theme for our RAM Smyth County effort.

*None of this would have been possible without you and your support.*

Thank you and God Bless You!
